IN01

Fingerprint Time Attendance Terminal

IN01 is a 3-inch TFT screen Time Attendance Terminal, a well-designed device with the new user-friendly firmware and latest coreboard. It comes with new features like stunning GUI, rock-solid stability, fast matching speed, and excellent expandability.

Built-in 2000mAh backup battery can eliminate the trouble of power failure. Optional with Wi-Fi and GPRS make it easily manage attendance data.

Features

Remarkable User Experience:

- Intuitive and stunning UI designed with the most popular and internationalized elements
- Interface operation adopts modularized hierarchical design. Simpler, better and more logical
- Great user interactivity

Enhanced Features and Performance:

- Multi-languages
- Data backup and retrieve
- Advanced User ID consisted of letters and numbers
- Chip encryption for firmware protection

Excellent Expandability:

- Easy to extend functions and customize customers' requirements
