

LICENSE ACTIVATION MANUAL

BioTime 8.5

Version: **1.0**

Date: **Sep 2019**

OVERVIEW

There are two ways to activate BioTime 8.5:

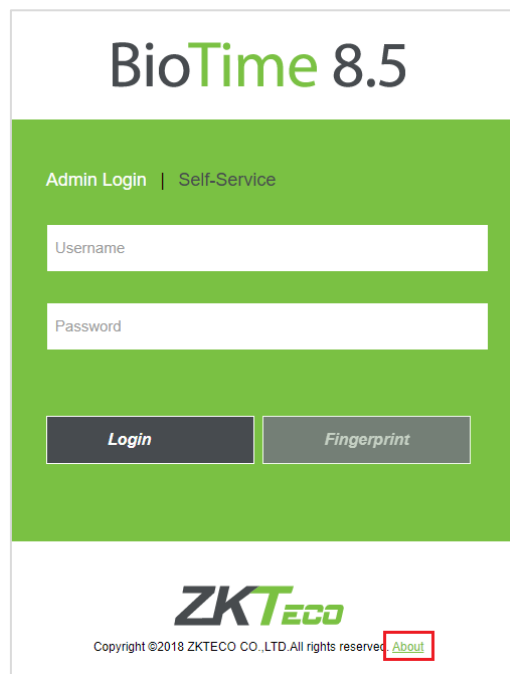

- Online Activation
- Offline Activation

1. Online Activation

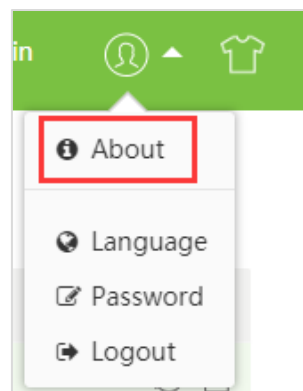

This method is used to activate the software using internet connection. In case of re-installation of the software, use this method to activate the software again.

Step 1: Access the [About](#) page. (There are two ways to enter)

(1) Click [About](#) on the login page.

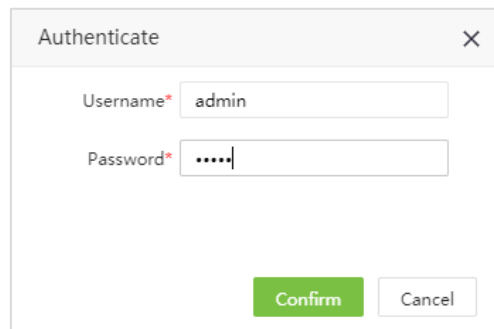

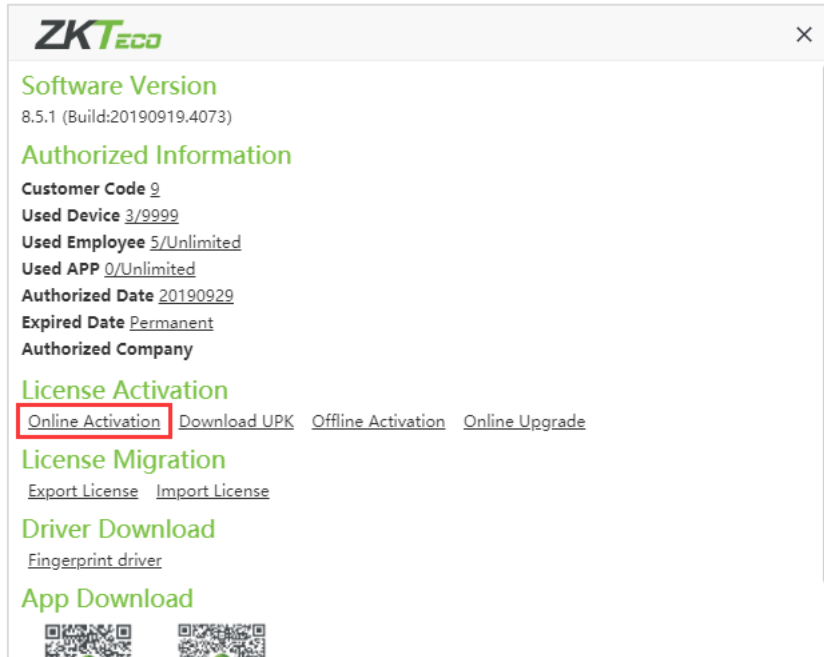

(2) After logging in, click the icon  and click [About](#).

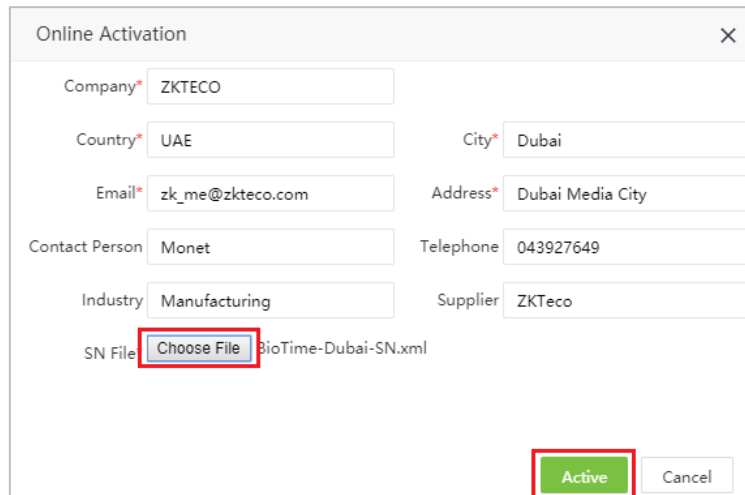

Step 2: Click *Online Activation* and fill out the required information.

Note: Username and password are the Super User's login details.

Step 3: Fill out the registration information. Click *Choose File* and select *XX_SN.xml* file. Click *Active* to activate the software.

Note: Please contact the Sales Representative to get the XX_SN.xml file.

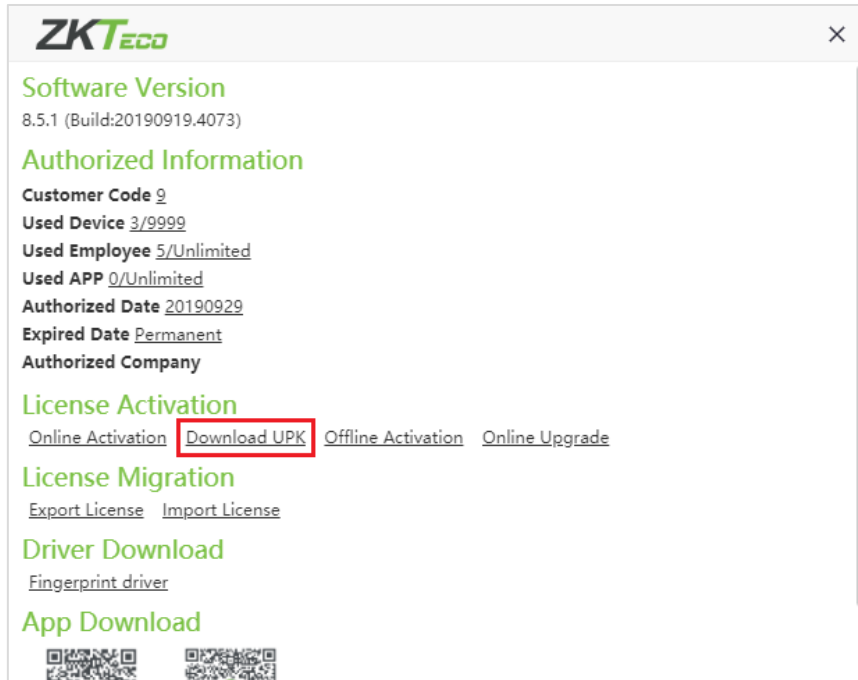

2. Offline Activation

This method is used to activate the software without internet connection.

Step 1: Access the *About* page. Click *Download UPK* and fill out the required information.

Note: Username and password are the Super User's login details.

A screenshot of the 'Authenticate' dialog box. It has a title bar with 'Authenticate' and a close button. The dialog contains two input fields: 'Username*' with the text 'admin' and 'Password*' with a masked password '.....'. At the bottom, there are two buttons: 'Confirm' (green) and 'Cancel' (white).

Step 2: Fill out the registration information. Click *Choose File* and select *XX_SN.xml* file. Click *Generate*.

Note: Please contact the Sales Representative to get the *XX_SN.xml* file.
