# Storage and Pick-up

Storage: Click this icon not enter the storage process.

When there are multiple types of compartments, the user successfully authenticates and selects the desired type of compartment, and the compartment is automatically unlocked.

Pick-up: Click this icon 🔞 to enter the pick-up process.

- If the administrator has set "Allow Halfway Out" after clicking the pickup, the system will prompt a question asking whether to set as [All Out] or [Halfway Out].
- If the administrator does not set to Allow Halfway Out, the user can only pick up once and must take out all items at one time.

# **View Records**

Click [Administrator Login] > [Settings] > [Record] on the device to view the records.
